CHILI COOK-OFF & SILENT AUCTION

The annual Chili Cook-off & Silent Auction was a great success. Christina & Manny Carnero took charge of the meal and Don & Nelda Napp took charge of the Silent Auction. They both did an excellent job.

As the members arrived, they chipped in with the decorations and dinner set up, making everything move along smoothly. The decorations were donated by Manny & Christina Carnero.

The members were encouraged to come in a costume, in the Halloween theme, but sadly only a handful had a costume on. Johnney Lee was a cowboy and David and Frances Velasco were CSI agents. The winner of the costume contest was Mr. Bones. Mr. Bones was brought by Lee Henderson as a decoration, but he was such a success that he won. Mr. Bones belongs to David Henderson (Lee's grandson) that is used as a Halloween decoration.

The Judges for the Chili were: Ann Finley, Franco Grochoske and Jeremy Diemert (grandson of Wayne and Marilyn Harrison).

The winners of the Chili Cook-off were:

3rd Place: Dick Halferty - 2 1/2 lb. can of Wolf Brand Chili

2nd Place: Maggie Bazan - Cappuccino

3rd Place: Ruth Johnson - Plaque

(Ruth was out of town, so her award was accepted by Chuck & Ruby Ehrlund.)

A special thanks are in order to Johnney Lee. Johnney donated a number of purses to the auction which resulted helped our sales. He also sold purses at the Korean Presbyterian Church on the previous Sunday, and donated all of the money from the sale to the Chapter. The meal donations totaled \$119, and the Silent Auction raised \$672. **CONGRATULATIONS** to all the members for participating. A **SPECIAL THANKS** goes out to **Johnney Lee**. Johnney brought purses for the auction, but in addition, he sold purses at the Korean Presbyterian Church on the previous Sunday, and donated all of the money from the sale of the purses (\$345.) to the Chapter.

KOREAN SENIOR CENTER

Dr. Francis Lee has retired as the director for the Korean Senior Center. The new director is Kyoo Y. Song.

Dr. Song is a retired Ph.D. from the Chemical Engineering Department at Rice University.

Dr. Lee and his wife will be moving to LA. Dr. Lee will be missed, but am sure they will enjoy their retirement.

Bill Craigmill, member from Canada, has moved to the Philippines. The weather is warmer there. He plans to continue laying a wreath on behalf of the TLSC & Canadian Korea Veterans at the site of one of Gen. MacArthur's headquarters.

Wreaths Across America- Houston (WAA-H)-
Dec 15, 2012 -11AM-
Houston National Cemetery

On December 13, 2008 WAA-H began their first annual program of placing wreaths on individual graves/headstones at the Cemetery. 14,000 wreaths were placed and TLSC was there in support both financially and with manpower.

AND-we have supported WAA-H every year since-2009,2010,2011 both financially and with manpower. I can assure you that Scott deMasi and his WAA-H team deeply appreciate our financial and manpower support. They work very hard (all volunteers) and the proof is shown by the number of wreaths placed: 2009-22,000 wreaths,2010-26,000 wreaths,2011-36,000 wreaths.

In 2011 TLSC raised and contributed \$3400+(doubling our contribution of 2010).

THIS YEAR OUR GOAL IS \$3500+. SO FAR, THE TOTAL RAISED THIS YEAR IS: \$3,596.00

At our August Chapter meeting, I asked those in attendance to make their decision as to making a donation again this year and bring their checks (or cash!) to the September Chapter meeting. I am asking all TLSC members to make their decision and if you are going to make a donation either bring it to our Chapter meeting or if unable to be at the meeting, mail it to our P.O Box 802541-Houston TX., 77280-2541. **In all cases, make the check, money order or Cashiers Check to: TLSC-KWV and designate it is for Wreaths Across America-Houston.**

It goes without saying that I am very proud to be a member of this chapter and all members should be also. We get things done. Let's do it again.

COMPREHENDING ENGINEERS:

An engineer was crossing a road one day when a frog called out to him and said: “If you kiss me I’ll turn into a beautiful princess”. He bent over, picked up the frog and put it in his pocket. The frog spoke up again and said: “If you kiss me and turn me back into a beautiful princess, I’ll stay with you”. The engineer took the frog out of his pocket, smiled at it and returned it to the pocket. The frog then cried out: “If you kiss me and turn me back into a princess. I’ll stay with you and do ANYTHING you want.” Again the engineer took the frog out, smiled at it and put it back into his pocket. Finally, the frog asked: “What is the matter> I’ve told you I’m a beautiful princess, that I’ll stay with you and do anything you want. Why won’t you kiss me?” The engineer said: “Look, I’m an engineer. I don’t have time for a girlfriend, but a talking frog, now that’s cool.”

An architect, an artist and an engineer were discussing whether it was better to spend time with the wife or a mistress. The architect said he enjoyed time with his wife, building a solid foundation for an enduring relationship. The artist said he enjoyed time with his mistress, because of the passion and mystery he found there. The engineer said: “I like both.” “Both”? Engineer: “Yeah. If you have a wife and a mistress, they will each assume you are spending time with the other woman, and you can go to the lab and get some work don.”

KOREAN WAR NATIONAL MUSEUM

The plans for the Korean War National Museum are moving along. The plans now are to have the museum open sometimes in 2014. The destination for the Museum is now located in the heart of New York City. Once completed, the mission of the museum will be to honor the Korean War Veterans from the 22 participating United Nations member countries, educate future generations, preserve the history and celebrate the tremendous success of the post-war Republic of Korea. It aims to not only tell the compelling stories of the war itself but to become a center for education, cultural exchange and discussion.

You can access their web-site by logging on to www.kwnm.org

The area schools are again hosting the Veteran's at various schools. One school was Millsapp Elementary School in Cypress, on Nov. 2nd.. Millsapp invited the veteran's to a special Veterans Day Program. This is the fourth year for the program. The Veterans were treated to a full breakfast, presentation of colors, guest speaker and patriotic music.

Spring Forest Middle School, 1420 Memorial (between Kirkwood and Dairy Ashford), is holding their second annual Veterans Day program, on Monday, Nov. 12th. This will be much the same as at Millsap. Beginning at 8:00 AM, a full breakfast is included. To register, call Jana Gwynn at 713-251-4618, or email her at jana.gwinn@springbranchisd.com. They would like a picture of you from your service days. They post them on a Wall of Honor, and also show them as part of a slide show.

KEEPING IN TOUCH - SICK BAY

Hank Daumann reported at the October meeting that he is now Cancer Free. He still has treatments to complete, his main complaint is that the radiation treatment destroyed his beard on one side, prompting him to shave it all off. He misses his beard.

Forrest Robinson was hospitalized for two weeks. His equilibrium was off. He is home now, but uses a walker.

Forrest, we are praying for you, and hope you recover real soon.

QUOTES FROM RONALD REAGAN:

“The most terrifying words in the English language are: I’m from the government and I’m here to help.”

“The trouble with our liberal friends is not that they’re ignorant, it’s just that they know so much that isn’t so.”

“Of the four wars in my lifetime, none came about because the U.S. was too strong.”

FIREWOOD

Because of the sever drought last summer, there is a supply of firewood available. One of the people that has extra firewood is Chuck Henderson, son of Lee Henderson. Chuck lives in Huntsville and has an abundance of Oak firewood. If interested, you can contact him at 713-410-0834.

KOREAN WAR EXPERIENCES PROGRAM

By Bob Mitchell

For the benefit of our newest members, we have a program that has been in operation for a few years now where Chapter members talk about their Korean War experiences at one of our General Meetings. The talks are videotaped, and copies go to the speaker, to our Chapter records, to our webmaster and one copy goes to the National Korean War Museum for their permanent archives. The webmaster posts the video on our Chapter website, where friends and relatives can view it, no matter where they are. If you go to our website at kwvahouston.org you can see those already there. To date, there are over 30 videos posted. You should consider this opportunity to tell your story for the benefit of you families. Four of those posted are of members now deceased and their families were very happy to have this memento of them to enjoy

To sign up for the program, contact **Don Napp** at **281-443-1809** or at DONALD.NAPP51@gmail.com. Don will sign you up and tell you how the program works and how to prepare for it. For all you other members who have not yet done so, there is plenty of room for you as well. Do it today. You won't regret it.

This program will give your children and children a visual account and written account, (as most of you will need to write your thoughts down) of your activities during the war. This is something everyone should have to pass on to their family.

The editor requests a copy of your experience to put in the newsletter. Thank You!!!

Whether you're retired from the military, presently serving in one of the branches of the armed forces, or living each day protecting and serving in the local communities of the Unites States of America you are to be honored for your brave sacrifice.

Your unwavering fortitude and resolve to protect the freedoms that are held dear by every American will forever impact our nation. Your individual name may not be written on the pages of American history books, but your spirit, sacrifice, and determination have written history and preserved freedom!

Perhaps President George W. Bush said it best: “Your courage, your willingness to face danger for your country and for each other, made this day possible. Because of you, our nation is more secure. Our commitment to liberty is America’s tradition-declared at our founding, affirmed in Franklin Roosevelt’s Four Freedoms, asserted in the Truman Doctrine and in Ronald Reagan’s challenge to an evil empire. In the words of the prophet Isaiah: “To the captives, ‘Come out,’ and to those in darkness, ‘Be free’”

Thank you for serving our country and our cause.

WHAT IS A VETERAN?

Some veterans bear visible signs of their service: a missing limb, a jagged scar, a certain look in the eye. Others may carry the evidence inside them: a pin holding a bone together, a piece of shrapnel in the leg - or perhaps another sort of inner steel: the soul's ally forged in the refinery of adversity. Except in parades, however, the men and women who have kept America safe wear no badge or emblem. You can't tell a vet just by looking. What is a vet?

He is the cop on the beat who spent six months in Saudi Arabia sweating two gallons a day making sure the armored personnel carriers didn't run out of fuel.

He is the barroom loudmouth, dumber than five wooden planks, whose overgrown frat-boy behavior is outweighed a hundred times in the cosmic scales by four hours of exquisite bravery near the 38th parallel.

She - or he - is the nurse who fought against futility and went to sleep sobbing every night for two solid years in DaNang.

He is the POW who went away one person and came back another - or didn't come back AT ALL.

He is the Quantico drill instructor that has never seen combat - but has saved countless lives by turning slouchy, no-account rednecks and gang members into Marines, and teaching them to watch each other's backs.

He is the parade-riding Legionnaire who pins on his ribbons and medals with a prosthetic hand.

He is the career quartermaster who watches the ribbons and medals pass him by.

He is the three anonymous heroes in The Tomb Of The Unknowns, whose presence at the Arlington National Cemetery must forever preserve the memory of all the anonymous heroes whose valor dies unrecognized with them on the battlefield or in the ocean's sunless deep.

He is the old guy bagging groceries at the supermarket - palsied now and aggravatingly slow - who helped liberate a Nazi death camp and who wishes all day long that his wife were still alive to hold him when the nightmares come.

He is an ordinary and yet an extraordinary human being, a person who offered some of his life's most vital years in the service of his country, and who sacrificed his ambitions so others would not have to sacrifice theirs. He is a savior and a sword against the darkness, and he is nothing more than the finest, greatest testimony on behalf of the finest, greatest nation ever known. So remember, each time you see someone who has served our country, just lean over and say Thank You. That's all most people need, and in most cases it will mean more than any medals they could have been awarded or were awarded.
