THE HAPPY SANTA....

One of our members is known as the Happy Santa. This program, known as "The Santa Program", was started in 1947, by Joe Romano. His late wife Lorene suggested the name change to "The Foreign Wars Happy Santa", because he was always smiling and laughing when delivering toys and food and playing Santa Clause with his wife as Mrs. Clause. Joe began this program at his VFW Post in El Cerrito, California, and continued it when he moved to the Houston area. Many business people supplies loads of merchandise for the needy.

Joe will continue his program as long as God gives him strength and life.

Remember Christmas is around the corner.

GOD BLESS, AND WE WISH YOU A BLESSED, HEALTHY AND HAPPY HOLIDAY SEASON.

Our hats off to the group of young athletes from the Woodlands. These young ladies belong to the Cheerleading squads with the Woodland's Elite. They are special because they sold 2,039 wreaths! Sal & Patty Gambino's granddaughter, Gracie, belongs to the winning team, the MASTER CHIEFS!!

V. A. HOSPITAL CHRISTMAS PARTY

On Friday, December 11, the Houston V. A. Hospital will host their annual Christmas Party. The party should begin at 6:30 pm. This is for the patients at the hospital. The TLSC will present the colors. There will be entertainment and refreshments for all. Please come to help cheer up the patients.

AERO'S GAME

If you were unable to attend the Aero's game that was dedicated to the Veterans', you missed a very good game. The Aero organization secured sponsors for the tickets, making the tickets available to the veterans, FREE. The Aero's won the game 5-3, but they also made the game very interesting. They played the San Antonio Rampage, and the rivalry was intense, as there were several big fights, gloves off, at times, helmets off and sticks swinging. No one got hurt, but players did spend time in the penalty boxes.

There were special guests at the game, former President and Mrs. George H. W. Bush. They were escorted to the box seats at center court, (not too far from our location.) After the game, they stopped to take pictures, the same time this editor's son and daughter-in-law chose to leave and take pictures, so a few great pictures were achieved.

VETERAN'S DAY

There were a lot of the schools in the area that honored the veterans. Some of the schools honored the veterans by feeding them breakfast and presenting programs just for them. One of the schools, Millsap Elementary School in the Cy Fair School District, contacted Henry Martinez about a Veterans Event they were planning on having. The school had decided to have a day to honor all Veterans and wanted our Color Guard to present the Colors. The event took place on Friday, November 6th. The school went all out for the Veterans. They had a golf cart in the parking lot for those who had trouble walking. A full breakfast was served in the School Library for all Veterans and spouses, and Millsap kids related to them were also allowed to eat with them. During the breakfast the school choir sang patriotic songs. All the parents were invited to be in the school auditorium along with the staff, students and the Veterans. Our Color Guard presented the colors and retired them afterwards as well. Members present included Henry, Bob Mitchell, Buddy Blair, Carlos Ballard and Bob Bighouse. The school asked if we could furnish a keynote speaker as well and Henry "volunteered" Bob Mitchell. Bob talked to the kids about the gift of Freedom, the fact that Freedom Is Not Free, and about all the Veterans who have helped to keep that Freedom for them for over 230+ years. The ceremony included more singing by the choir plus awards for the kids in various subjects. Afterwards, each Veteran received a booklet with letters written by the kids, thanking them for their service. It was a great effort by the school and very well done. A video photographer was on hand, and each of our members in attendance will be receiving a DVD. It was a very rewarding day for our Color Guard, and everyone else who attended.

Two of our veterans, Lee Henderson and Jess Harper, attended Teague Elementary school in Pasadena. They wanted the men to present their stories from the Korean War, with transparencies. Before they started, the men were treated to a full breakfast, then were escorted to the area to set up for their presentations. Their presentation was much like they did when they went to schools with the TELL AMERICA PROGRAM. The students thoroughly enjoyed the program. The students made thank you cards and their teachers mailed them to the veterans. They are wonderful!!

It's refreshing to know that our youth still want to honor our veterans, by having them attend schools and talk, or honor them with programs.

Veterans Day

We were blessed with beautiful weather this year for the ceremonies at City Hall and for the parade, which followed on Veterans day, November 11. The ceremony was well attended, although subdued to a degree, by the tragedy at Fort Hood, which occurred a few days earlier.

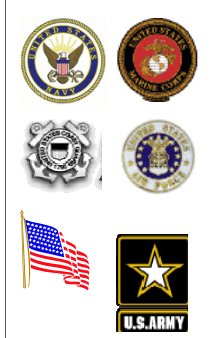

The Chapter Color Guard presented colors for the ceremony, and Stoney Stone presented the table honoring the POWs of all wars. Mayor White gave the welcoming speech, and Charles Laird the invocation. The Mayoral candidates were in attendance, as was most of the City Council members and five members of Congress from Houston area districts. Each of the Representatives gave a short speech, expressing gratitude to members of our armed forces and to the veterans.

After that, it was parade time. Viewers were a little light due to the Wednesday date, but the parade itself was one of the best presented on any Veterans Day, lasting almost an hour and a half. The TLSC had four trucks in the parade. Sal Gambino's truck was covered with photo's of our members in their early days. One truck carried some of the women and the remaining trucks were full of our members. Tom Mixon has a musical horn on his truck that plays the Marine Hymn, which he played all along the route. The marines in the crowd would respond with OOHRAH. Our banner was carried by Jim Duncan and Vito Susca. Thanks to Henry Martinez for representing the chapter in the planning activities and in organizing the chapter

MAXINE’S SLIDE DOWN THE BANISTER OF LIFE.....

As you slide down the banister of life, Remember:...

1. Jim Baker & Jimmy Swaggert have written an impressive new book. It's calledMinisters Do More Than Lay People!
2. Transvestite: A guy who likes to eat, drink and be Mary.
3. The difference between the Pope and your boss, the Pope only expects you to kiss his ring.
4. My mind works like lightning. One brilliant flash and it is gone.
5. The only time the world beats a path to your door is if you're in the bathroom.
6. My idea of a Super Bowl is a toilet that cleans itself!
7. I hate sex in the movies. Tried it once. The seat folded up, the drink spilled and that ice, well, it really chilled the mood.
8. It used to be only death and taxes. Now, of course, there's shipping and handling, too.
9. A husband is someone who, after taking the trash out, gives the impression that he just cleaned the whole house.
10. My next house will have no kitchen—just vending machines and a large trash can.
11. If you need a shoulder to cry on, pull off to the side of the road.
12. A blonde said, 'I was worried that my mechanic might try to rip me off. I was relieved when he told me all I needed was turn signal fluid.'
13. Definition of a teenager? God's punishment...for enjoying sex.
14. As you slide down the banister of life, may the splinters never point the wrong way.

VIDEO TAPING OF KOREA STORIES

These talks are videotaped. The tapes will go to the Korean War Museum, to become part of their archives. Since time at our meetings is limited, we will have to follow some simple rules:

Members will have **10 minutes max.** to speak. The time limit will be controlled. To be able to tell your story in that time frame, you should plan your talk in advance. List the things you want to cover, and try it out at home first and watch the time it takes. If it is way over the time, trim out some things to make it fit.

Remember you're being taped and the Museum won't know who you are. Start with your name, rank, branch of service, time you were there and what your specialty was. Then tell your story

Be sure and attend and hear the latest memory. Our next speaker will be at the January Meeting.

KEEPING IN TOUCH — SICK BAY

Patty Gambino It seems that the simple act of stepping down on her foot after having the brace removed, was not so simple. There was instant pain and the doctor put the brace back on, this time tighter.. She is now out of the brace and attending therapy to strengthen the ligaments. *We hope this works and your ankle will be back to normal soon.*

Mickey Spencer was admitted to the hospital recently in order to get his medications working correctly. When this is corrected, he will be transferred to the Wound Care Center, then home. *Mickey, we all hope and pray that the doctors are able to make the adjustments and help get you better.*

Marlene Susca's daughter-in-law, Brigitte Cycyota, had a real medical scare recently. She began having problems with her vision and the doctors discovered a tumor and successfully removed it. It was benign. She is in excellent physical condition and is making remarkable progress.

Forrest Robinson had tests recently and discovered that he has some heart blockage. *Good Luck Forrest, we all hope and pray that the heart Dr. fixes you up.*
