HAPPY 20th ANNIVERSARY TLSC

In 1990, Nat Young and Joe Coyle made a sign 'KOREAN VETERANS' and marched in the Memorial Day Parade. Several Korean citizens asked if they could join them. This is how the word got spread, they also had their picture in *The Chronicle* on September 12, 1990, along with a very nice long article.

They were looking for a few former Korean War servicemen, to form the Texas chapter of the National Korean War Veterans Association in Houston. The formation of such an association is long overdue, Young said. Finding the dozen veterans required to form the Texas chapter was surprisingly not easy. When the Korean veterans returned home, they melted back into society. Some friends did not even notice that they had been gone.

Young served as a sergeant in the Far East Command Liaison unit. Coyle was a platoon commander in the 38th Infantry Regiment in Korea. Their goal was to recruit other servicemen into the organization and then help the National Organization to raise the funds to build the Monument to the Korean veterans in Washington, D.C.

On January 21, 1991, fifteen men signed a petition for a Chapter Charter. Those men were: **Joe Coyle, Joe DeBenedetto, Charles Dean, Don Foisie, Jim Griffin, John Jackson, Bill Hare, Ted Maloy, Johnny Mathis, Leland Sikkelee, Hiram "Lee" Stegell, Gerald Weber, Fred Ortiz, Nat Young and Harry Caldwell.** On February 11, 1991, the State of Texas issued the CERTIFICATE OF INCORPORATION.

The name of the new Incorporated Chapter shall be called: TEXAS LONE STAR CHAPTER OF THE KOREAN WAR VETERANS ASSOCIATION, INC. and will be located at 2635 Teague Road, Houston, Texas, 77080-3833. The elected or appointed officers are as follows:

President: Nat Young
1st Vice President: Fred Ortiz
2nd Vice President: To be appointed
Secretary: Gerald R. Weber
Treasurer: Gerald R. Weber.

They later drew for membership numbers, (which was only fair), and the outcome was as follows:

- | | | |
|--------------------|--------------------|-----------------------|
| 1. Harvey Roe | 7. Eugene LaDoux | 13. Billy Hare |
| 2. Joe DeBenedetto | 8. John B. Jackson | 14. David Garner, Jr. |

POW/MIA INFORMATION

By David Velasco - POW/MIA Officer

The Dept. of Defense (DOD) will be holding a Family Update meeting on Feb. 26, 2011, from 8:00 AM to 5:30 PM at the Embassy Suites Hotel, Baton Rouge, Louisiana. This meeting is specifically for families who have someone missing in the Korean War. It is up to the families to keep the POW/MIA issue alive and in the forefront.

This is a day-long program detailing Department activities and efforts to account for our nation's missing heroes and specifically, the family's serviceman. To register and obtain the agenda, please visit the Defense POW/Missing Personnel Office website: www.dtic.mil/dpmo/register. You may also call the Army Casualty Office at 1-800-892-2490 to register by telephone, and don't hesitate to call them should you have questions. The earlier you register your intent to attend, the more time their analysts will have to prepare for discussing your case with you.

As Veteran's there are actually two things you can do:

- 1) If you know of any families that have lost loved ones in the Korean War, you can encourage them to become active in pressing the issue for resolution by attending the Family Updates.
- 2) If you have personal knowledge of where someone was buried, you can get this information to the DOD. Other than that, only family members are allowed to attend these Family Updates.

If there are any questions, you may contact David A. Velasco, our POW/MIA Officer. francesvelasco@juno.com or d.a.velasco@juno.com

HONOR ALL VETERANS' @ MINUTE MAID FIELD

Our annual "Honor All Veterans" ballgame at Minute Maid Field will be on Saturday, May 14th, at 3:05 PM. Location is once again in the Mezzanine, Section 256.

The theme this year will be "Military Fathers and Sons". We hope to have two fathers who served in Vietnam and two sons who served in Iraq/Afghanistan. The Astros will create a special website just for this game. It should be online by March. Henry Martinez will begin taking orders and collecting money at the February Meeting. Ticket sales will continue until the end of March. Tickets will be delivered to you in April.

MY KOREAN WAR EXPERIENCES

By Robert 'Bob' Dawson

Upon receiving my commission in the US Navel Reserves as, "Ensign Robert M. Dawson," I was soon ordered to report for duty at the Naval Line School at Monterey, California, at what is now the famous resort in the prestigious "Del Monte Lodge", in beautiful Carmel, California - overlooking the Pacific Ocean. I was to receive training as a "Communications Officer". Two weeks before completing this course, I was ordered to report for duty aboard USS LST-735 at Terminal Island, Long Beach, California. (Such ships were often referred to as: "A Long, Slow Target")

After completing training missions between San Diego and Pearl Harbor, learning my primary duties, as 'Communications Officer', we received our orders to proceed to **Fleet Naval Base, Sasebo, Japan**. This was to be a 5,00 mile journey - aboard our LST-735, which cruises at only "nine-nautical miles per hour". It took 22 days, during which, we never saw another ship or plane. We showed "movies on the fan-tail" @ 1800; and "gee-dunks" in the Mess hall - five nights a week - to keep our crew from going completely "stir-crazy+ during this monotonous trip.

Upon arriving at Sasebo, Japan, we were attached to "Mine Squadron Five". This consisted of our LST plus seven "wooden hull" - Mine Sweepers". We served as the "Mother ship" for the seven "Sweeper's". We also received a very important member of our mission, arrived on board—it was a "helicopter and pilot".

We soon departed Sasebo. Setting course for the two-hundred mile trip to our regular duty station—off Wonson, Korea.

Our ship's primary mission was to patrol - about five miles off the coastal port of "Wonson, Korea", and stay prepared to pick up any Navy jet pilots shot down, while making their "extremely dangerous, daily bombing missions" over the famous "**Bridges of Toko Ri**". This famous bridge was located about one-hundred miles in the interior mountainous region of Korea. These "Bridges" were important to the Japanese soldiers, enabling them to receive daily, all their military and food supplies, necessary for these troops in that remote Mountain region.

Our "Navy Jet's" flew daily missions from Admiral Halsey's carrier force staying well south of the "Islands of Japan". It was quite a mission for our pilots to fly these long dangerous "six hour missions" to return to their carrier's safely. Our LST's & Helicopter & pilot aboard main mission was to quickly retrieve downed navy pilots within eight minutes of their parachuting into these very cold and frigid waters.

This interesting tour of duty was soon to end when I was scheduled for discharge and a return to civilian life in January, 1953. This also was to mark my entry into the new evolving world of "mortgage banking" at Holland Mortgage & Investment, in the Houston downtown Sterling Building, at my civilian pay rate of \$300 a month.

HAPPY 60th WEDDING ANNIVERSARY

Don and Nelda Napp recently celebrated their 60th Wedding Anniversary by inviting some of their friends and family to a luncheon at Ashton Gardens. There was a great turnout with everyone wishing them well and congratulations.

Borrowed the Car.....After shopping for most of the day, a couple returns to find their car has been stolen. They go to the police station to make a full report. Then a detective drives them back to the parking lot to see if any evidence can be found at the scene of the crime. To their amazement, the car has been returned.

There is an envelope on the windshield with a note of apology and two tickets to a music concert. The note reads, “I apologize for taking your car, but my wife was having a baby and I had to hot-wire your ignition to rush her to the hospital. Please forgive the inconvenience. Here are two tickets for tonight’s concert of Garth Brooks, the country and western music star.”

Their faith in humanity restored, the couple attend the concert and return home late. They find their house has been robbed. Valuable goods have been taken from throughout the house, from basement to attic. And, there is a note on the door reading, “Well, you still have your car. I have to put my newly born kid through college somehow, don’t I?”

Microsoft Logic.....One of Microsoft’s finest technicians was drafted and sent to boot camp. At the rifle range, he was given some instruction, a rifle, and bullets. He fired several shots at the target. The report came from the target area that all attempts had completely missed the target. The technician looked at his rifle, and then at the target. He looked at the rifle again, and then at the target again. He put his finger over the end of the rifle barrel and squeezed the trigger with his other hand. The end of his finger was blown off, whereupon he yelled toward the target area, “It’s leaving here just fine, the trouble must be at your end!”

KOREAN WAR VETERANS LUNCHEON

The American Legion Post 490, invited the Korean Veterans and their wives, to a luncheon at their Post on Sunday, Jan. 23rd. The Post is located on Hwy. 3, across from Ellington Field.

Tom Mixon provided a display of pictures of the Chosin Reservoir and he also gave a short talk about his experiences of the battle. Maps of the War were available to view and/or take home.

Lee Henderson talked about his experience in the War, and had a display of vintage weapons for the people to view and handle. Lee compared the homecoming of Vietnam and Korea in that no one seemed to care. Lee was met at Treasure Island by Girl Scouts selling cookies.

Tom Fitzmorris arranged for the Korean vets to attend the luncheon, then discovered he himself was unable to attend. Thank you Tom for a very enjoyable afternoon.

DAVID A. VELASCO

My name is David Velasco and I have been asked to be the POW/MIA officer for the Chapter. I am a Vietnam Era Veteran during 1964-1967, I took basic training at Ft. Polk, Louisiana. I was sent to Mechanic School at Aberdeen Proving Grounds, Maryland. After training, I flew to California and boarded the 'USS Breckenridge' bound for Korea. In Korea, I landed on the beach and then went by train to Camp Casey. Three days later I was sent by 3/4 ton truck to the final Post. A place called "Charlie Block". It was just a hill that we shared with the 1st of the 79th Artillery. I was assigned to "B" Company, 707 Maintenance. There I spent 12 months from 1964-1965.

I left Korea in better style on a MAT 707. My next Post was Ft. Bragg, N.C. There I volunteered for Vietnam. I was assigned to the 41st Ord. Co., headed for Vietnam. As luck would have it, we wound up in Korat, Thailand. It was there that I spent my final 10 months of service.

I had two brothers that fought in the Korean War. My brother Frank was lost at the Chosin Reservoir. That is what draws me to the Korean Veterans. I have attended 7 or 8 of the Family Updates that are held by the DOD. My wife and I attended the National Family Update that is held in Washington, D.C. once a year. The government will provide free airfare to attend the Update in Washington, D. C., if you are a relative of a missing serviceman.

My wife, Frances, and I have been Associate Members of the Texas KWVA Chapter since 1990. If anyone has any questions or comments, my email is d.a.velasco@juno.com or francesvelasco@juno.com.

CONDOLENCES

It is with a very heavy heart that we report the passing of a dear friend and member, **Travis Riley M-758**. He passed away peacefully on Jan. 16th, surrounded by his family.

Travis had only recently discovered that he had lung cancer and was preparing to undergo chemo therapy. It seems that the good Lord had other plans for Travis.

He is survived by his loving wife of 58 yrs, Jerry, daughters, Karen, Susan and Laurie, and 7 grandchildren.

Travis served in WWII and in the Korean War. He was an active member of the VFW post 8790 and the Texas Lone Star Chapter of the Korean War Veterans.

A Funeral Mass was held on January 20th at Our Lady of Czestochowskiej with burial following at the Houston Veterans Memorial Cemetery. Members of the TLSC Color Guard, the firing squad of the VFW Post 8790 and the Patriot Guard, friends and family were all in attendance.

RESIGNATION

Our Color Guard Commander, Henry Martinez, has resigned, sighting health problems. Recently, Henry has been forced to use a cane in order to get around. He states that it has become increasingly difficult to do the job as it should be done. He will assist the new Commander and help him with the job, but simply cannot do it himself any longer. If you are interested, please contact the President.
